*EFIS-EJI Ruggero Ceppellini Advanced School of Immunology
La Scuola Superiore d'Immunologia Ruggero Ceppellini*

Presents an Advanced EFIS-EJI Course on

Microbes, Immunity and Cancer

Directors:

**Francesco Colucci, Ennio Carbone, Guido Kroemer,
Giorgio Trinchieri and Laurence Zitvogel**

8-10 October 2019

**Centro Congressi Consiglio Nazionale delle Ricerche,
Anacapri, Naples, Italy**

World leaders will discuss fundamental aspects of the interactions between microbiome and immune system. This interaction influences both how certain cancers develop and how cancer patients respond to new immunotherapies

Confirmed speakers:

Giorgio Trinchieri, NIH National Cancer Institute

Guido Kroemer, University of Paris Descartes and Gustave Roussy Comprehensive Cancer Center

Laurence Zitvogel, Gustave Roussy Comprehensive Cancer Center

Petter Brodin, Karolinska Institutet and Karolinska University Hospital

Nicola Segata, Erasmus University, University of Trento

Jolanda de Vries, Radboud University – Tumor immunology

Sebastian Kobold, Ludwig-Maximilians-University of Munich
